

# WELCOME

Thank you for registering to attend our Open Day, we look forward to showing you around the campus. We recommend that you check in from 10.30am onwards, to take full advantage of the activities on offer, and view up to three programmes. You'll be shown around our state of the art workshops and studio spaces, and get the chance to explore our unique city by the sea.

Talk to our friendly staff and students for a glimpse into life on campus, and chat to our Student Support team on all things finance, accommodation and admissions related.

Drop by the Students' Union to find out more about the opportunities they offer to get involved with student life at the college.

**IF YOU HAVE ANY QUERIES NOT COVERED IN THIS GUIDE PLEASE GET IN TOUCH.**

# TRAVEL

## TRAIN

We're just 5 minutes walk away from Plymouth rail station where direct services run to London Paddington, Bristol, the Midlands, the North of England, Scotland and Penzance. Upon arrival please follow signs for the City Centre, exit left on North Cross roundabout, and follow the road to Drake Circus Shopping Centre, you'll find us directly opposite.

## COACH

Plymouth Coach Station is just minutes away from our main site on Armada Way. National Express and Megabus services run from London Victoria, Bristol, Exeter and many other UK destinations. Follow signs for Drake Circus Shopping Centre, and find the college situated just behind along Charles Street.

## TAXI

No matter how you arrive in Plymouth, a taxi connection is nearby. Why not hop in a cab across the city centre; journeys from the train station and coach station take approx 5 minutes.

## BICYCLE

We have plenty of cycle racks outside the college and within the rear car park. If travelling by train, do check regulations as you may have to pay to reserve a spot for your bike. Whilst here why not explore the local cycling network, with routes to the Royal William Yard and many seaside locations close by.

## CAR

If arriving by car please use the Regent Street Car Park just next door to our campus. Alternatively, you can use the city's Park and Ride. If you would like to reserve disabled parking please contact us at [liaison@pca.ac.uk](mailto:liaison@pca.ac.uk)
