- **Please be creative when gathering your art materials. You may already have some of the above items so reuse where able to keep the costs affordable.**
- **Begin to gather a wide variety of 'bits and bobs' – different yarns, fabrics, threads, interesting materials/textures/colours, plastics, small objects, wire, surface embellishments, sequins, beads etc. These can be old, new or repurposed.**

If you are local to Plymouth then a visit to the Plymouth Play CIC Scrapstore (on Union Street) will provide you with a variety of materials, for a small fee. If you are not based in Plymouth, there may be a scrapstore in your local area.

Please remember to always bring paper/sketchbook and drawing materials each day.
